Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Saturday 20 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Turning colder but brighter into Sunday.

This Evening and Tonight:
Brief clear intervals in the evening, but cloud and outbreaks of light rain spread across the region overnight, clearing in the early hours. Turning breezier as the rain moves through. Minimum temperature 4 deg C (39 deg F).

Sunday:
A good deal of sunny intervals present on Sunday. Staying dry in the east but showers feeding into the west. Feeling noticeably colder, particularly in blustery winds along coasts. Maximum temperature 9 deg C (48 deg F).

Outlook for Monday to Wednesday:
A cold start on Monday with continued strong coastal winds but staying dry with sunny intervals. Temperatures a touch closer to average for Tuesday, then somewhat cloudier on Wednesday.
